TRISTRAM MARINE OPEN

19 – 26 FEBRUARY 2022

RULES

WELCOME TO THE TRISTRAM MARINE OPEN

1. GENERAL

The purpose of this tournament is to make sure you all have a good time and an equal chance to win some excellent prizes.

To that purpose we have a set of rules. Please read them and make sure you understand them. If there are any matters that need clarification please note them and ask at the briefing.

Any matters not specifically covered by these rules will be covered by IGFA rules, NZSFC rules, MBGFC Fishing Rules and/or at the discretion of the Tournament Committee.

ENTRY and registration in the tournament constitutes acceptance of the rules by **ALL** participants, and an agreement to abide by **ALL** judges decisions.

The Tournament Committee reserves the right to amend the rules, should it be deemed necessary in the interest of the Tournament.

Competitors participate in the tournament at their own risk. MBGFC does not accept any liability for material damage or personal injury sustained in conjunction with or prior to, during, or after the tournament. Leaving port is at the sole discretion of the skipper and crew at all times.

2. ELIGIBILITY

All anglers must be current financial members of Mercury Bay Game Fishing Club Inc (MBGFC) or an affiliated NZSFC Club. Proof must be provided. Day membership to MBGFC will suffice.

NOTE: A commercial vessel must provide a particular approval form under Section 111(1)(a) of the Fisheries Act for the Tournament dates to the Club office before going fishing.

3. REGISTRATION & BRIEFING:

Registration will be held at the MBGFC Office on Friday, 18 February from 1100 -1915, with briefing in the Blue Lagoon at 1930 sharp.

All rules and/or clarifications as well as additional instructions given at briefing are deemed to be known and accepted by all participants whether present or not.

This includes the subject of a digital photo to be taken on board a vessel prior to any photos of tagged marlin before release. This subject will also be listed in the starter folders. Do not call "Gamebase" to ask for this subject. Additional subjects will be announced as marlin are tagged to "clear" cameras.

"Fishing In" is permitted in this tournament for teams from other clubs.

"Fishing In" teams must register as early in the week as is practical.

If you wish to be monitored by Coastguard for reasons of safety at sea you should log a trip report on Ch 63.
In the event of an emergency, call Coastguard on Ch 63.
- (b) All billfish & tuna should be called in to Gamebase when hooked up, boated, tagged or lost giving the vessels name and the area from the Sponsors Gridmap. Smaller species can be notified during the sched.

Billfish must **NOT** be removed from the water during the tagging and releasing process.

16. WEIGH IN

- a) Catch cards & Tag cards
ALL sections **MUST** be filled in **BEFORE** fish are brought to the weigh station. First and last name must be written in full, not initials.
Latitude and longitude must be entered on tag cards.

Team number and angler numbers must be clear.

PROVIDING FALSE INFORMATION ON CATCH CARDS WILL RESULT IN DISQUALIFICATION FROM THE TOURNAMENT.

- b) Along with the **FULLY COMPLETED** catch card and/or tag card each angler must present the rod, reel, lure and or terminal tackle which the fish was caught on, and anything else required by the weigh masters such as gaffs, tailropes, any securing ropes used to transport the fish to the weigh station.

A FISH IS NOT DEEMED TO BE CAUGHT UNTIL IT HAS BEEN WEIGHED (or tagged).

- d) Weigh masters Indemnity

It is the anglers responsibility to present all cards and equipment when weighing in, **NOT** the weighmasters. No responsibility will be accepted by MBGFC or its weigh masters for any failure to do so.

- e) The weigh station is open from 1530 to 1830 on days one to seven. Any extension to these hours is at the discretion of the weigh masters.
f) The weigh station is open from 1300 to 1600 on Saturday Feb 26.

On Saturday Feb 26, unless a fish is being played at stop fishing all anglers must have their fish, catchcards and tackle in the weighmasters hands by 1600. The location of a boat at stop fishing must take into consideration its steaming time to the weigh station.

In the case of a fish being played at stop fishing radio notification must be given prior to stop fishing. For such a fish to be eligible for prizes in this tournament it must be at the weigh station by 1630. No such dispensation applies in the Nationals however. 1600 is their cut off at the weigh station.
